

2023 SPONSORSHIP OPPORTUNITIES

Why partner with VASEA?

The Virginia Society of Enrolled Agents (VASEA) is the professional society representing Enrolled Agents (EAs) and other tax professionals in Virginia. Enrolled agents and other tax professionals are the lifeblood of the tax practicing community. Getting in front of these tax professionals is the best way to get your product or service noticed!

Types of Participation

Convention Sponsor – Whether you are introducing your company or reinforcing its name and product, sponsorship at the leading educational program in Virginia for Circular 230 practitioners is a great way to build loyalty among your clients. Customers who see your support for VASEA have one more reason to do business with your company. Attendees are professionals from the tax services arena and many of them are decision-makers. Our goal is to connect you with your target market.

Advertising Opportunities – There are a variety of marketing and advertising opportunities available to highlight your products and services on the VASEA website, www.vasea.org, and in the VASEA News This Week which is emailed every Monday of the month to enrolled agents and other tax professionals throughout Virginia. Contact Heather Greenwell, CAE, at admin@vasea.org for more information.

Confirming Your Selection – To confirm your sponsorship selection, fill out the [sponsorship reservation form](#). Once reviewed, you will receive an invoice by email to the contact listed on the form.

Custom Sponsorship – If you are looking for something specific to sponsor or create a custom sponsorship package, please contact VASEA Administrator Heather Greenwell, CAE, at admin@vasea.org to discuss.
